B O R O U G H O F C O W B R I D G E .ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH, 1962.

November 1963.

To The Mayor, Aldermen and Councillors
Cowbridge Borough Council.

I have much pleasure in presenting the Annual Report upon the health and sanitary condition of the Borough for the year 1962.

It has been prepared in accordance with the suggestions from the Welsh Board of Health as contained in Circular 1/63 (Wales) and supplies particulars under the following headings:- vital statistics, social conditions, drainage, water supply, public cleansing, housing, food hygiene, in fact, all matters which have an effect upon the health of the inhabitants.

The population for the year was 1,100 and there were 18 births and 15 deaths.

Business premises in the town are being improved and modernised and a number of food preparing premises have installed new appliances in keeping with the Food Hygiene Regulations.

I wish to thank the Mayor, Aldermen and Councillors and also the Officials for their co-operation during the year.

I am, Ladies and Gentlemen,

G. McKIM THOMAS

Medical Officer of Health.

SOCIAL CONDITIONS.

Cowbridge is an ancient chartered Borough, the last Charter was granted by Queen Victoria in 1887. The Borough has an area of 84 acres and a population of 1,100.

The Borough is also a market town attracting farmers, butchers and cattle dealers from a considerable area around. Monday is market day but there are also certain statutory fair days held at various times during the year.

Cowbridge is also an educational centre, the Boys' Grammar School dating back to 1608. This school provides accommodation for some 50 boarders and day-boys from the neighbouring villages and townships of Llantwit Major, Llanharan and Pontyclun. The Pontfaen Junior School provides elementary education. In addition, there is a Girls' High School adjoining the Borough, but in the neighbouring rural district, which serves a similar function as the Grammar School although no boarding accommodation is provided.

Public water, sewerage, electric light and gas are available throughout the town and a weekly refuse collection service is carried out.

There are no large factories in the area. There are some nine factories registered with the Borough Council, and these are as follows:-

1. Mr. A. Sanders, Boot Repairer.
2. Messrs. D. Brown & Sons Ltd., Printers.
3. Messrs. Arthur Jones & Sons Ltd., Builders Yard.
4. Messrs. Robert Thomas & Sons Ltd., do.
5. Glamorgan County Council, do.
6. Mr. Frank Sanders (Cowbridge) Ltd., Garage Proprietor.
- 7/8. Mr. A. H. Jones, West End and High Street, Garage Proprietor.
9. Cowbridge R.D.C. Garage.

Committees Dealing with Health Matters.

The monthly meetings of the Council and standing committees both deal with health matters as the occasion demands.

Ambulance Facilities.

The Area Ambulance Services are administered from the Ambulance Control Station, Oak Street, Aberkenfig, the telephone number of which is Aberkenfig 303.

One ambulance is stationed at the Fire Station, Cowbridge and another at the Ambulance Sub-Station, Llanmaes Road, Llantwit Major.

Hospitals.

There are no hospitals or nursing homes within the area. Infectious cases are usually admitted to the Isolation Hospital at Cefn Hirgoed, although under regionalisation specific cases might be admitted to other more convenient hospitals.

Medical and surgical cases are admitted to any of the Board's hospitals in Bridgend and Cardiff.

Maternity cases usually enter the Bridgend or Cardiff hospitals.

Ear, nose and throat diseases in children under 15 years of age are dealt with in the Children's Ear, Nose and Throat Hospital, Cowbridge Road, Ely, Cardiff. In addition, some patients receive treatment at the Bridgend Hospital. Children suffering from squint can also receive treatment at the Orthoptic Clinic, and those cases needing operative treatment are admitted to the Children's Ear, Nose and Throat Hospital as above.

Laboratory Facilities.

All pathological specimens are examined at the Ministry of Health's Public Laboratory at Cardiff and chemical analyses are carried out by the County Public Health Laboratory at Cardiff.

SANITARY CIRCUMSTANCES OF THE AREA.Water Supply.

A hard water of high bacterial quality is provided by the Mid-Glamorgan Water Board throughout the Borough. With one exception all properties in the Borough are connected to the mains.

Swimming Baths and Pools.

There are no public swimming baths in the area.

Schools.

The following schools are situated in the Borough:-

- (a) Cowbridge Grammar School, providing boarding facilities for 50 boys and day-boy accommodation for 317.
- (b) Y Bontfaen Junior School providing accommodation for 95 pupils.

(c) Private Junior School, Westgate Street provides for 38 pupils.

The Grammar School has separate cooking facilities for the boarders and day-boys and these have been found to be satisfactory. Y Bontfaen has a modern canteen.

Rivers and Streams.

The River Thaw which passes through the Borough is under the control of the Glamorgan River Board who arrange periodical cleansings as the needs arise.

There has been no flooding in the Borough during the year.

HOUSING.

(a) New Council Houses. The Council's housing estate consists of 69 dwellings, 62 of these having been erected since 1918.

A scheme for the improvement of the caretaker's quarters at the Town Hall was prepared but not proceeded with. The quarters ceased to be used for housing purposes.

(b) Private Enterprise. No private houses were built during the year.

(c) Selection of Tenants. Tenants of Council houses are selected by the points scheme. The home conditions are investigated by the Public Health Inspector who reports the points awarded to the Council. In this way the most deserving cases are given priority. The final selection of the tenants is made by the Council.

(d) Demolition or Closure of Unfit Houses. No houses were dealt with during the year.

All the unfit houses in the Borough have now been dealt with.

Housing Improvement Grants.

The Public Health Inspector reports that the following applications for improvement grants were dealt with during the year:-

(a) Discretionary Grants.

(i) 67 Eastgate Street - provision of bathroom, windows etc.	Maximum grant of £400.
--	------------------------

Since the grants scheme was introduced in 1955, 19 such grants have been made by the Council.

(b) Standard Grants.

No applications for standard grants were made during the year.

A total of 7 standard grants have now been made.

Council's Housing Estate.

The Council's Estate now comprises the following houses:-

Broadway	12 houses
Borough Close	36 houses
Cae Stumpie	14 houses and flats
Church Street	2 houses
Southgate	1 house
The Butts and Bush House	4 houses

Total 69

Plans.

The following plans were approved under the Building Byelaws:-

(a) New Houses	Nil
(b) Conversion of premises into houses	1
(c) New business premises	Nil
(d) Alteration of business premises	4
(e) Alteration to houses	5
(f) Drainage works, bathrooms etc.	5
(g) Stores or garages	<u>7</u>
Total	<u>22</u>

PUBLIC CLEANSING.

(a) Refuse Collection and Disposal. By arrangement with the Cowbridge Rural District Council a twice weekly collection of house refuse is carried out from hotels and cafes in the Borough. Private houses have a once weekly collection. A modern refuse collection vehicle is used for the purpose. Disposal of refuse is also carried out under an arrangement with the Rural District Council.

(b) Refuse Bins. Almost all houses are provided with properly constructed galvanised refuse bins, and it is unusual to see any other type of container used in the Borough. The Public Health Inspector takes informal action where necessary to require householders to provide suitable bins.

(c) Street Cleansing. The main street is on each side of the London to Fishguard trunk road. This highway is under the control of the Glamorgan County Council who arrange for cleansing with a mobile street cleaner. A vacuum pavement cleaner is also used.

The back and side streets are cleansed by the Borough roadman.

Concrete litter bins are provided at various parts of the town.

(d) Cesspool Emptying. One house, some distance from the public sewer, is still served with a cesspool and the Borough Council have an arrangement with the Rural District Council for its emptying by a modern, suction operated vehicle.

SEWAGE DISPOSAL WORKS.

The Cowbridge Borough and Rural District Council have a joint sewerage scheme with works at Lake Farm, in the Rural Area.

The cost of maintenance of these works is calculated by the Treasurer annually, and apportioned between the two authorities.

ATMOSPHERIC POLLUTION.

Cowbridge is in the centre of a rural area with no industrial buildings. As a result there are no atmospheric pollution problems.

NOISE ABATEMENT ACT, 1960.

This Act came into force in 1960 and gives local authorities power to deal with noises or vibrations as statutory nuisances to be dealt with under the Public Health Act, 1936, in the same manner as public health nuisances.

It was not necessary to take any action under this head during the year.

CARAVAN SITES AND CONTROL OF DEVELOPMENT ACT, 1960.CARAVAN LICENCES.

There are no caravan sites in the Borough.

DOMESTIC PESTS.(a) Rodent Control.

Surface Treatments:- Rodent control is carried out by an operative employed by the Rural District Council. Visits are made to business premises in the town, particularly those dealing in foodstuffs and treatments are carried out where necessary. Private properties are treated free of charge but business premises have to pay for the labour and material used. Warfarin is the material used for this work and it has proved quite successful.

Details of the work carried out during the year are set out below.

Type of Property	Properties in Area	Total Inspections (including re-inspections)	Minor Infestations of rats and mice found	Treatments carried out
Local Authority	3	6	Nil	Nil
Dwelling Houses	327	67	16	16
Business Premises	51	58	4	4
Agricultural	Nil	Nil	Nil	Nil
Totals	373	131	20	20

(b) Other Pests:- The Public Health Inspector gives advice where required on modern methods of eradicating domestic pests.

MILK SUPPLY.

The Cowbridge Borough is within the specified area under the Food and Drugs (Milk, Dairies and Artificial Cream) Act, 1950. There are no registered dairies within the area, the distributors concerned operate from the adjoining rural district.

The Milk (Special Designations) Regulations, 1960.

These Regulations are operated by the Glamorgan County Council as the Food and Drugs Authority.

Milk and Dairies Regulations, 1949.

Number of distributors on Register	3
Number of dairies registered	3

FOOD HYGIENE REGULATIONS.

Routine inspections are made of food premises within the Borough, but the number of food handlers is too small to warrant the organisation of any courses on clean food handling. All food premises comply with the constructional requirements of the Regulations.

MANUFACTURE OF SAUSAGES, PRESSED MEATS, ETC.

Four butchers are registered for the manufacture of meats etc. Their premises conform with the requirements of the Food Hygiene Regulations.

Most grocers and other food shops now sell frozen sausages from refrigerated counters and frozen food cabinets.

ICE CREAM.

No ice cream is manufactured within the town. The retailers registered with the Council all obtain ice cream from one or other of the national manufacturing companies.

Five samples were taken during the year and each was in Grade 1 and satisfactory.

During the period 1954 - 1962 all samples taken were in Grade 1.

INSPECTION OF MEAT AND FOODS.

There is no slaughterhouse within the Borough. The four butchers obtain their meat from wholesalers operating outside the area or slaughter at the public slaughterhouse at Bridgend.

Meat is inspected by the Public Health Inspector at the slaughterhouses concerned before it leaves the premises.

Periodical visits are made to butchers shops and occasionally butchers meat is found unfit, chiefly due to internal decomposition. When this occurs it is examined by the Public Health Inspector who issues a condemnation certificate, stains the meat and arranges for its disposal at a modern digesting plant where it is sterilised before being used for animal food or fertiliser.

SHEEP AND CATTLE MARKET.

The market is owned by the Corporation but leased to two local auctioneering firms. Monday is market day and the market is extensively used by farmers in the south of the Vale of Glamorgan, and butchers attend from Glamorgan and neighbouring counties.

Modern tubular steel pens and a covered cattle sale ring were installed in 1957. The Borough Council have also purchased a field to the west of the existing market and this will be used for market extensions as and when required.

FOOD AND DRUGS ACT, 1955: ADULTERATIONS, ETC.

The following samples were taken in this area by Mr. W. D. Lewis, the County Public Health Inspector, during the year ended 31st December, 1962:-

Bicarbonate of Soda	1	Glucose	1
Cake sponge Pastry Mix etc.	2	Margarine	1
Cough mixture	1	Mince meat	1
Cream	1	Orange & Lemon Curd	1
Fish (canned)	1	Suet	1
Fruit (canned)	2		
			<u>13</u>

The results of these samples showed no adulteration.

SHOPS.

No instances were found where statutory action was necessary.

PREVALENCE AND CONTROL OVER INFECTIOUS AND OTHER DISEASES.

Tuberculosis.

The position at January and December 1962 was as follows:-

	Respiratory		Non-Respiratory		Total
	M	F	M	F	
On Register 1st January, 1962	2	2	-	-	4
On Register 31st December, 1962	2	2	-	-	4

There were no additions to or removals from the tuberculosis register during the year.

Housing Conditions.

All the cases of tuberculosis are satisfactorily housed and it was not necessary to draw the attention of the Council to any matter during the year.

Infectious Diseases.

Fifteen cases of measles and one scarlet fever were notified during the year. All the patients were nursed at home.

Smallpox.

There were two contacts in the Borough of the original case of smallpox which occurred in Cardiff in January 1962. The two men concerned had visited the cafe where the patient was staying. They were vaccinated immediately and kept under observation.

During the outbreak at Glanrhyd Hospital, Bridgend two persons working in the Borough were discovered as close contacts. Both lived in the rural district and were placed in strict quarantine for 19 days from the date of contact. A further ward contact was vaccinated and kept under observation for 19 days.

During the early part of March it was reported that an employee of the Surveyor's Department of the Glamorgan County Council had been confirmed as a case of smallpox. His movements were investigated and it was stated that he had previously visited a cafe in Cowbridge. Immediate enquiries were made and the occupiers of the cafe concerned kept under observation. In addition, a clerk working in the same Department and living at Cowbridge, was kept under observation during the incubation period.

Numerous conferences of Medical Officers were held during the above outbreaks and measures to deal with any emergency were formulated. The local practitioners were kept informed of events.

Vaccination and Immunisation.

The Divisional Medical Officer for South-East Glamorgan Health Division arranges for the vaccination against poliomyelitis, smallpox, B.C.G. and diphtheria, whooping cough etc, and such vaccinations are carried out at the County Clinics in the area.

CINEMAS.

There is no cinema in the area.

NATIONAL ASSISTANCE ACT, 1948.

It was not found necessary to take action under the above Act during the year.

POULTRY KEEPING ON COUNCIL'S HOUSING ESTATES.

Very few people now keep poultry on housing estates. The Borough Council has a standard for poultry keeping and the Public Health Inspector reports that no complaints were received during the year.

FACTORIES ACT, 1937.

The report on the action taken in connection with factories in the area is set out below:-

Premises	Number on Register	Inspections	Notices
Factories in which:- Section 1 (Cleanliness) Section 2 (Overcrowding) Section 3 (Temperature) Section 4 (Ventilation) Section 6 (Drainage of Floors) are enforced by the Council	1	2	Nil
